MjPHC President's LETTER

Missouri Junior Paint Horse Club September President's Letter

Hello Paint Horse Friends!

The 2011 MjPHC Show Me Classic Shows over the Labor Day Weekend were sure a success! The weekend started out pretty steamy and stormy, but turned into a perfect weather weekend for showing paints. Many thanks go out to those of you who attended the youth meeting and pizza party, those who brought canned goods and coats, everyone who supported our silent auction, pattern book sales and practice trail! It was quite a busy weekend with a lot of entries from around the nation and nice classes. There was a good turnout for the football throw and boot races with several happy winners of cash and

prizes. I think everyone looks forward to these activities along with the annual BBQ, which was amazing. The Shootout classes provided everyone with great entertainment Sunday night and the exhibitors with great prizes. I can't forget to thank the many sponsors who supported the youth club in purchasing special leadline and walk/trot awards for the weekend. It just does not seem possible that our show season is coming to a close with only one show left.

There are five MjPHC directors making preparations to head to Vancouver, Washington for the AjPHA's Leadership Conference September 28th through October 2nd 2011. We will be attending several meetings including the APHA's General Membership meeting, where voting on rule proposals and changes are made. We will be meeting APHA members from around the world to discuss issues effecting our association and we will be making plans for our future!
